CRICHTON SCHOOL

THE HALLS OF CRICHTON

Oh, we love the Halls of Crichton
That surround us here today,
And we will not forget
Tho' we be far, far, away.

To the hallowed Halls of Crichton
Every voice will bid farewell,
And shimmer off in twilight,
Like the old vesper bell.

One day a hush will fall,
The footsteps of us all
Will echo down the hall and disappear,
But as we sadly start
Our journeys far apart,
A part of every heart will linger here

In the sacred Halls of Crichton,
Where we live and learned to know,
That thro' the years we'll see you
In the sweet after-glow.

MRS. CARRIE O'DELL

Mrs. Carrie O'Dell has taught at Crichton for thirty-six years and has never taught at any other school. She has taught all elementary grades with the exception of fourth and first. She taught three years in junior high school and organized the first 4-H Club in Crichton School. It was given the name Montana which is still used today.

Mrs. O'Dell graduated from Rainelle High School and received her B.S. degree from West Virginia Wesleyan College at Buckhannon. She is a life member of the National Education Association and a member of Delta Kappa Gamma Honorary Society.

Mrs. O'Dell is a member of the Quinwood Methodist Church where she teaches the Young Adult Class. She helped to organize and was President of the Business and Professional Women's Club, was President of Greenbrier Educational Association, and served as a member of the West Virginia Board of Directors of Class-Room Teachers for three years.

Because of her help and influence both in the school and community, we the senior class of Crichton High School wish to dedicate the 1961 edition of Cat Tricks to Mrs. Carrie O'Dell.

Principal's Message

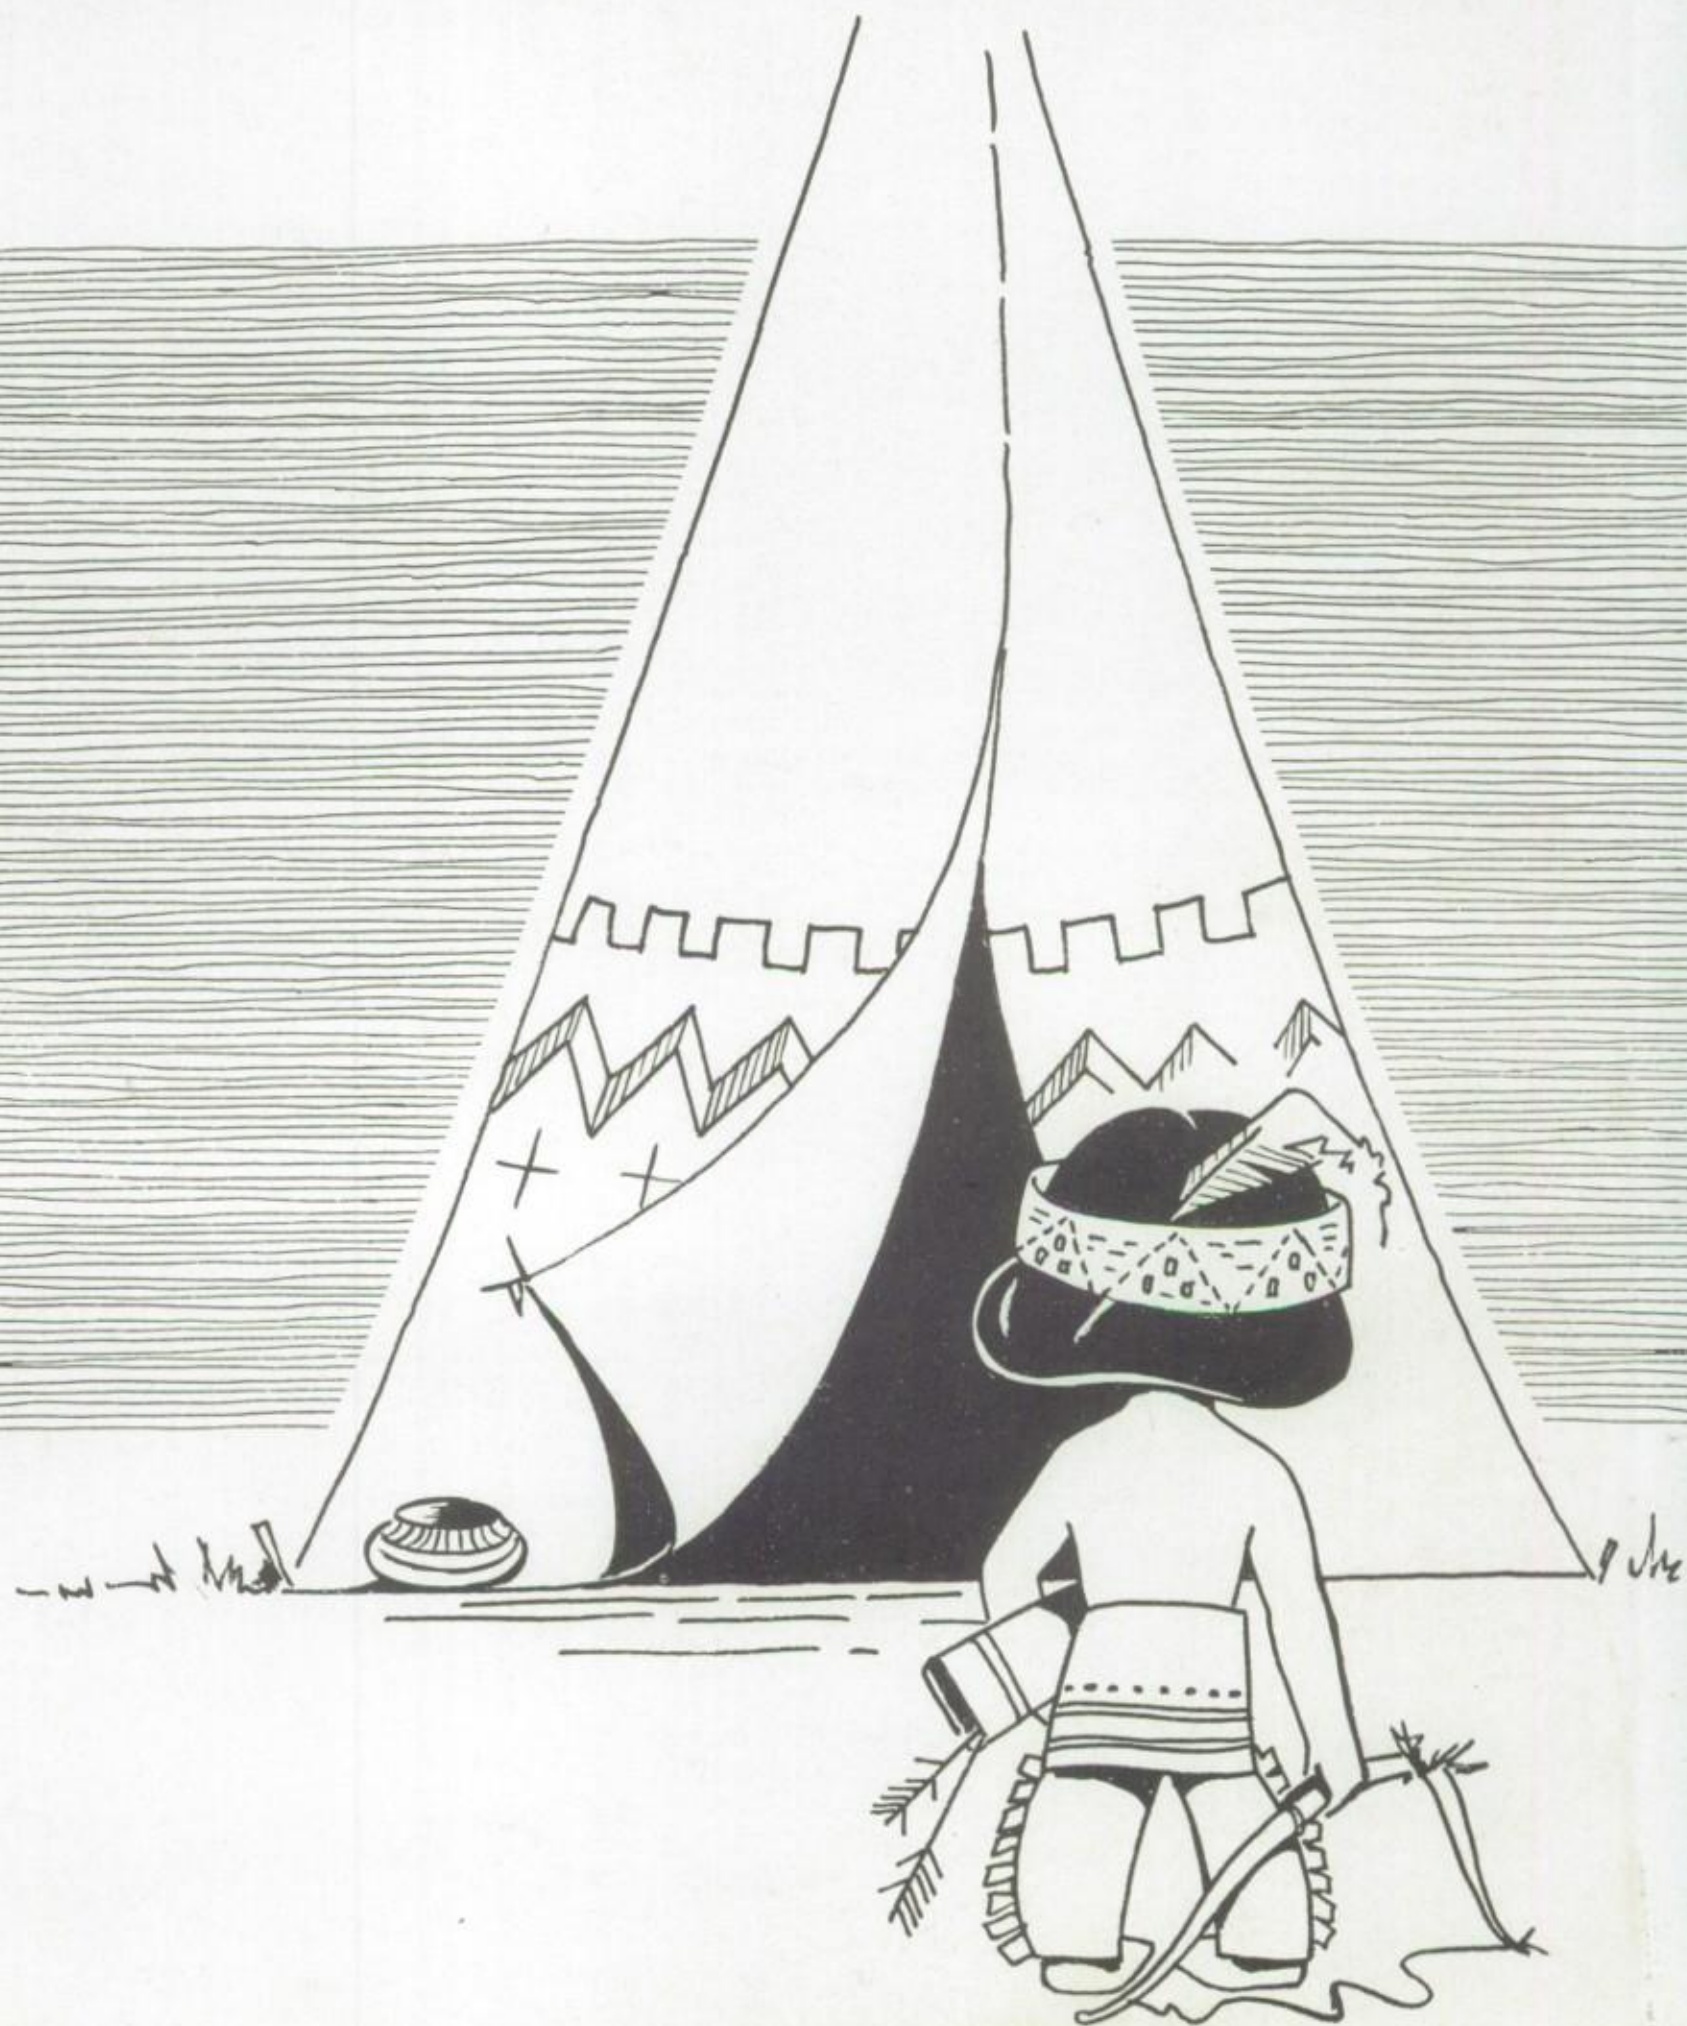

The necessity of getting a formal education is becoming more important every day. Far too many boys and girls are wasting the opportunities that are available to them in our public schools. We can force only a certain amount of education upon anyone.

What each person gets from formal schooling depends upon how much he or she wants from it.
